Groth Vineyards & Winery

presented by Sarah Wagner, Southeast Region Sales Manager

Groth Sauvignon Blanc, Napa Valley 2022 86% Sauvignon Blanc, 14% Semillon. Our Sauvignon Blanc is produced from grapes grown in various microclimates of Napa Valley. The warmer areas give us grapes with melon and citrus characteristics in both aroma and flavor. The cooler areas of Napa Valley provide fruit with a solid, crisp backbone that gives the wine an exciting liveliness and balances the rich creaminess from sur lie aging. The Sauvignon Blanc and Semillon were whole cluster pressed, giving us juice of incredibly high fruitiness and softness. To fully integrate the flavors as early as possible, the estate Sauvignon Blanc and Semillon were co-pressed and co-fermented. After pressing and settling, the juice was moved to neutral oak barrels, then allowed to age sur lie for just over three months. This combination of pressing, fermentation techniques and the aging program adds complexity to the aromas and flavors, while preserving the bright fruit and lively natural acidity that make this wine so refreshing and enjoyable. Light lemon-yellow in color with fresh aromas of nectarine, pineapple, lemon and wet stone. Tart acidity enhances flavors of mixed citrus, guava and honeydew melon. The juicy finish leaves you craving another sip. **SRP \$27.99**

Groth Estate Chardonnay, Hillview Vineyard 2022 100% Chardonnay. We whole-cluster pressed the major portion of the Chardonnay fruit, giving us juice with incredibly delicate fruit flavors and softness. After eight months of aging sur lie, the wine was racked off the yeast lees, blended and finished for bottling. Groth 2022 Estate Chardonnay captures the quintessential characteristics of its varietal and provenance. Inviting aromas of crème brûlée, green apple, ripe cantaloupe and apricot jam greet the nose with an underlay of orange blossom, lychee and baking spice. Groth Reserve Cabernet Sauvignon, Oakville, Napa Valley 2019 95% Cabernet Sauvignon, 5% Merlot. All the Cabernet Sauvignon in this wine is from our 27.43-acre Reserve Vineyard at our Oakville Estate. Cabernet clusters are harvested at night, ensuring the berries are plump, the crews aren't battling the summer heat, and the fruit will remain cool for processing earlier in the day. Clusters are initially selected in the field, followed by a secondary sorting by hand at the winery. They are destemmed, and the grapes are mechanically sorted, assuring only the best berries go into each small fermentation lot. Fermentation is carried out in small temperature-controlled stainless-steel tanks. After fermentation is complete, barrel aging takes place in our dedicated, dual-level Reserve barrel rooms. Barrel lots are aged separately for eight months before blending, and the final blend is aged an additional 14 months. Deep and pure ruby in color, this wine has an abundance of enticing aromas: beginning with boysenberry and blueberry pie, and leading to pastry cream, a bit of toast and a hint of menthol.
